

## Arlington Center for the Arts Scholarship Program

Supported in part by:

The Arlington Center for the Arts is very pleased to offer a scholarship awards program throughout the year to children and adults. We recognize the importance of making arts and cultural experiences accessible to as broad an audience as possible, particularly to those in the communities we serve.

Our scholarships are on a sliding scale, based on income and upon our limited resources. Scholarships do not cover the costs of materials, transportation, extended care, or other related expenses. Scholarships are limited to 50% of tuition. The recipient must cover the other 50% of tuition two weeks prior to the start of the class or program.

To apply, please submit the following:

1) A brief letter of application detailing the following:

- The name of the applicant, specifying for an adult or child
- The semester, class, level, and time of the class or vacation arts program week you request
- A second choice if the first request is unavailable
- A few sentences on why you feel a scholarship is needed

2) Please send a copy of your latest tax return (required). You may also send social security information or other documentation to help us decide on awarding the scholarship.

**Due to limited resources, we can only offer one scholarship per family per calendar year, up to 50% of the program cost.**

Program	Amount of Scholarship
Classes (Winter, Spring, Summer, Fall)	50% of one class
February/April Vacation Arts Program	50% of one Week
Summer Vacation Arts Program	50% up to Four Weeks

We will contact you once awards have been made. Thank you for your interest in the Arlington Center for the Arts.
